

# CONTINUITY OF OPERATIONS (COOP) TECHNICAL ASSISTANCE

More Dates Available!

## Customized Help for Your COOP

The Minnesota Department of Health (MDH) has contracted with All Clear Emergency Management Group to provide up to four hours of in-person COOP technical assistance (TA) for healthcare facilities in Minnesota.

The TA is open to hospitals, long-term care/skilled nursing facilities (LTC/SNF), and assisted living facilities (ALF) that want 1:1 COOP guidance.

Click the link to register for your in-person Technical Assistance Session:
