

CONTINUITY OF OPERATIONS PLAN WORKSHOPS

The Minnesota Department of Health (MDH) contracted with All Clear Emergency Management Group to conduct two in-person workshops to help long-term care facilities, skilled nursing facilities, and hospitals develop their Continuity of Operations (COOP) plans.

WORKSHOP OBJECTIVES:

Understand the purpose and fundamentals of a COOP plan.

Guide participants through the process of developing a COOP plan.

Identify implementation strategies for the MDH COOP Toolkit.

More Help with COOP!

We are offering in-person COOP Technical Assistance for healthcare facilities. Click below to register:
